"Kindness is like snow, it beautifies everything it covers"

~Kahlil Gibran

I know I have said this before but I like fall and winter...the world becomes smaller and our focus is more on family and community. The pace slows and I believe kindness increases.

The holidays definitely help this along. What better way to feel a part of something then to spend time with your family and friends. I know this is going to be a great season at Bayport Flower Houses.

In the greenhouses we have outstanding new varieties of poinsettias, houseplants and blooming plants. Our Showroom, as I write this, is being transformed into a winter wonderland with amazing gifts for all. Our tree yard is preparing for the finest Fraser Fir Christmas trees and outstanding fresh evergreens. Our Design Department is gearing up to create beautifully decorated wreaths, porch pots, centerpieces and much more.

In short I know this year will be our finest and I hope you will all come and enjoy the efforts our very talented staff has put forth. Thank you all for making our 86th year wonderful, we are truly blessed to be part of the Long Island Community.

All the Best!

PHS philadelphia flower show

flower Power!

The PHS Philadelphia Flower Show is the nation's largest and longest-running horticultural event, and features stunning displays by the world's premier floral and landscape designers.

Started in 1829 by the Pennsylvania Horticultural Society, the Show introduces the newest plant varieties, garden and design concepts, and organic and sustainable practices. In addition to the major garden displays, the Flower Show hosts world-renowned competitions in horticulture and artistic floral arranging, gardening presentations and demonstrations, special events, a mammoth indoor Marketplace, and the Bloom Philly Festival in the weeks leading up to the Show.

POINSETTIAS

For the Holidays

The poinsettia, *Euphorbia pulcherrima*, a popular potted plant at Christmas time, provides effective color in the home decor during and after the holiday season. The newer poinsettia cultivars are long-lasting in contrast to the cultivars available a few years ago.

The true flowers of poinsettias are inconspicuous parts in the centers of the colorful bract clusters. The bracts can be red, pink, cream, or white. New for 2018 include the Princettia - Princettia® is a collection of entirely new euphorbia hybrids that are captivating consumers all over the world. Four beautiful shades of pink make them a perfect fit as a gift plant.. A truly unique poinsettia, 'Envy' sports lime-green bracts that pair well with many styles of holiday décor.

In total, we have over 20 varieties. Poinsettias should be in prime condition for decorative use in the home, office, etc. They should be well-shaped plants exhibiting dark green foliage with bracts free from defects.

And don't forget that the design team at Bayport Flower Houses' can customize any of our home-grown poinsettias with a wide variety of beautiful bows, white or glitter branches, birds, wintergreens, ornaments, and much more to make a one of a kind holiday gift!

CHRISTMAS Trees & Greens

Beautiful bunches of fragrant cedars to grace your indoor decor. Or elegant boughs of Magnolia to bring the Southern Charm to your Holidays. We're proud to offer an extensive collection of greens in bunches, garlands, wreaths, grave sprays, kissing balls and outdoor hanging baskets.

Whether your decorating greens are outside or inside, the dryness of winter weather is it's greatest enemy. So keep it moist. When we custom make our wreaths, we are sure to treat them with Wilt Stop first, ensuring the longevity of your holiday decor. This natural, non-toxic product, derived from the resin of pine trees, has the unique ability to form a soft, clear flexible film on treated plants. This film protects plants from drying out, drought, wind burn, sunscald, winter kill, transplant shock and salt damage. WILT STOP™ also extends life of Christmas trees. We're also please to offer Wilt Stop for sale, for those of you designing your own garlands, wreaths at home.

And our selection of Christmas Trees is sure to please! Fresh cut from the mountains of North Carolina, our Fraser Firs are favorites of everyone at Bayport Flower Houses. Celebrate the season, your family and friends with a trip to our Tree Yard.
