“One kind word can warm three winter months. “

--Japanese Proverb

The thing I love most about late fall and winter is the simplicity. For the most part, the world gets a little smaller and I find it easier to focus and enjoy more deeply. I do enjoy the holidays, they seem to amplify kindness. Nothing brightens a day more than a beautiful home-grown Poinsettia, Christmas cactus, Amaryllis or Cyclamen. Surrounding ourselves with house plants, fresh flowers and the greens of the season help to lift our spirits and the spirits of others during the colder months.

At Bayport Flower houses we are very proud of the Poinsettias we grow, these are much different than you will find elsewhere. They are allowed to grow to their full size and beauty, not worrying about how many can fit on shipping racks. They go from our greenhouse bench to your home...and quite often last well into the spring.

We are also quite proud of our selection of holiday gifts and decorations this year. Our designers are hard at work creating an outstanding experience for you when you visit our wonderland.

So I invite you to read over this newsletter and stop in and see the beautiful, one of a kind shopping experience. Maybe treat yourself and your friends to a creative workshop class- you are guaranteed to have a great time.

Much health and happiness!

Karl

# CHRISTMAS

## Trees & Greens

Beautiful bunches of fragrant cedars to grace your indoor decor. Or elegant boughs of Magnolia to bring the Southern Charm to your Holidays. We're proud to offer an extensive collection of greens in bunches, garlands, wreaths, grave sprays, kissing balls and outdoor hanging baskets.

Whether your decorating greens are outside or inside, the dryness of winter weather is it's greatest enemy. So keep it moist. When we custom make our wreaths, we are sure to treat them with Wilt Stop first, ensuring the longevity of your holiday decor. This natural, non-toxic product, derived from the resin of pine trees, has the unique ability to form a soft, clear flexible film on treated plants. This film protects plants from drying out, drought, wind burn, sunscald, winter kill, transplant shock and salt damage. WILT STOP™ also extends life of Christmas trees. We're also please to offer Wilt Stop for sale, for those of you designing your own garlands, wreaths at home.

Our selection of Christmas Trees is sure to please! Fresh cut from the mountains of North Carolina, our Fraser Firs are favorites of everyone at Bayport Flower Houses. Celebrate the season, your family and friends with a trip to our Tree Yard.

# POINSETTIAS

## For the Holidays

The poinsettia, *Euphorbia pulcherrima*, a popular potted plant at Christmas time, provides effective color in the home decor during and after the holiday season. The newer poinsettia cultivars are long-lasting in contrast to the cultivars available a few years ago.

The true flowers of poinsettias are inconspicuous parts in the centers of the colorful bract clusters. The bracts can be red, pink, cream, or white. Popular varieties include the Princettia®, a collection of entirely new euphorbia hybrids that are captivating consumers all over the world. Four beautiful shades of pink make them a perfect fit as a gift plant.. A truly unique poinsettia, 'Envy' sports lime-green bracts that pair well with many styles of holiday décor.

In total, we have over 25 varieties. Poinsettias love a nice, humid, warm spot in your home with lots of light. They despise cold drafts, overwatering and darkness. And don't forget that the design team at Bayport Flower Houses' can customize any of our home-grown poinsettias with a wide variety of beautiful bows, white or glitter branches, birds, wintergreens, ornaments, and much more to make a one of a kind holiday gift!
