Ah, Christmas...We've made it. As we get ready for another great Holiday season here at Bayport Flower Houses, we can't help but be excited about our many new offerings and helping you, our customers, find everything you need to make this season joyful and magical.

Nothing says the holidays to me more than our home grown Poinsettias. The large, holiday-colored leaves and the magnificent bushy habit, prove year after year to be a staple in homes during the holidays. At Bayport Flower Houses, we pride ourselves in producing outstanding poinsettias that last through the new year. Our dedicated team hand plant each and every poinsettia during the hot days of summer! You can bet they visualize the cooler temps of the Holidays during that time!

This year we, in the greenhouse production department, are super excited to have over 15 new varieties and colors of Poinsettias available to you. A few of my favorites include the following:

**Autumn Leaves** - this beautiful new introduction has the habit of the traditional red poinsettias, but the leaves are a magnificent peachy-orange color, that can only be described by coming in and looking for yourself! It is perfect for Thanksgiving, Christmas, and beyond.

**Mouse Ears** - think of your traditional red poinsettia, but with round shaped leaves. It has a very good branching habit and true "holiday red" color. For plant nerds like me, this new introduction takes the beauty of the traditional red poinsettia and makes it even more unique with the round shaped leaves.

**Fabyuleous Jingle**, this poinsettia takes red, pink, and cream colors and puts it all into one leaf! This poinsettia bridges the gap between the traditional and the new. The color can't be beat!

We have a blast exploring new varieties to grow for you year after year. This year, we have some trial varieties that we're very excited to showcase to you. Be sure to stop by our Holiday Open House on November 18 & 19 where you can vote for your favorites from this year's trial! This will help me and my team grow the poinsettias that you all love for next holiday season!

Come on in, we love seeing everybody and helping to make the holiday season a fantastic time of year!

Happy Holidays from us to you!

*-John Auwaerter (Greenhouse Manager)*

**HOLIDAY**  
OPEN HOUSE

Saturday, November 18  
and Sunday, November 19

20% Off Your Entire Purchase!  
Live Music! Refreshments!

*Workshops at Bayport Flower Houses* are a long standing tradition for both adults and children. Each season we host classes that will both expand your horticultural knowledge and help you find the artist in you!

During the Holidays we offer five different workshops for adults where you create a masterpiece to take home with you!

For our younger customers we offer two classes where they can express their creativity and take home something spectacular!

We are always amazed at the talent that walks through our classroom doors and the amazing designs that leave!

You can register either online [shop.bayportflower.com/workshops](http://shop.bayportflower.com/workshops) by phone at **631.472.0014** or in-store 7 days a week!

Thanksgiving is about together. Whether in large, boisterous numbers or small, intimate numbers, we gather, together. We gather together at beautiful tables around the country, in all different forms and styles and designs and look both to the past year and to the coming future. We have that in common.

Thanksgiving table arrangements designed at Bayport Flower Houses are also made together, just as the Thanksgivings we all celebrate. Our talented sales staff work with our customers to meet their vision of the Thanksgiving arrangement and then work to convey that vision to our talented design staff. Our designers gather beautiful blooms from around the world and create floral masterpieces that they then entrust to our fastidious delivery team who deliver them with care throughout Long Island.

So remember the Thanksgiving flowers this year for your gathering. Our hand-crafted florals make fabulous gifts whether you are there or far away. Order online at [www.bayportflower.com](http://www.bayportflower.com), by phone at 631.472.0014 or in store 7 days a week.

We will be open on Thanksgiving Day from 8 am to 1 pm. And Happy Thanksgiving to you and your family from everyone at Bayport Flower Houses

# 2023 Holiday Themes at Bayport Flower Houses

Our Holiday Decor is curated throughout the year with much thought. Beginning in January, our buying team begins to think about a season that just ended and will not begin for another 11 months! With both the past and the future immediate on our minds we work toward the goal of creating an environment where our customers come to “Experience The Magic”.

In these planning stages, our themes are determined and we go from there! We contact vendors from near and far (and sometimes even our own talented staff) to provide our collection of Holiday decor and giftware that meets our customers’ visions. This year we are excited to offer a variety of Holiday themes, sure to meet both the design and tradition sides.

Be sure to take a long peak while shopping a Bayport Flower Houses. You’ll never know what you might find in our magical shop. As a hint, this year in addition to our thematic purchases, we’ve got a T-Rex, lovely Hot Air Balloons, a all-out fun Christmas Tree sporting ornaments with the likes of Dolly Parton, Snoop Dog & Martha Stewart, Pikachu, Wonder Woman, Harry Potter and the newly throned King Charles - plus a whole lot more.

And we also we work with you to custom design a wreath, porch pot, grave spray, kissing ball or winter-green arrangement to match your decor.

Happy Holidays and Happy Shopping!
